TO WHOMSOEVER IT MAY CONCERN

JAMCEM Consulting was recently engaged by us for "Maintenance Practice and Systems Review" at our Cement Plants. This work has been successfully completed by JAMCEM Consulting and recommendations for introduction of new maintenance methodologies have been given. Professionalism shown in their work has been well appreciated by our plant operating team and we are satisfied with their approach.

Given the good track record and experience of JAMCEM team in the cement industry, we have no hesitation to strongly recommend JAMCEM Consulting to any Client for similar projects or studies.
